### Dope confiscated in North Ave. drug raid

Officers from the Antioch Police Dept. assisted the Lake County Sheriff's Dept. in a drug raid at 250 North Ave. that netted the narcotics squad large quantities of cannabis, cocaine, quaaludes, amphetamines, methamphetamines and barbituates.

John J. Klecki Jr., 30, was arrested by the sheriff's department at 7:26 p.m. on Tuesday, Oct. 14 and charged with six counts of unlawful possession of drugs.

Several weapons, including an automatic pistol, two shot guns and two black powder revolvers were also confiscated from the premises.

According to narcotics detective Fred Heidecke, of the Lake County Sheriff's Dept., Klecki was out on a recognizance bond the next morning and though no hearing date has as yet been set, one is expected in the near future.

This raid was one of many triggered by a directive from the office of Sheriff Tom Brown with Round Lake, Round Lake Beach, Lake Villa and Antioch set as the target areas.

Brown's directive instructed his officers to arrest dealers and users alike.

Heidecke says, "We had vibes that there was a heavy use of cocaine in the Antioch area and we will be working there for some time to come with additional arrests expected."

The Lake County Sheriff's Dept. has made 15 drug connected arrests in Round Lake Beach, Round Lake, Lake Villa and Antioch since September, with 13 of them made in Round Lake Beach alone.

### Area mourns Antioch VIP Lloyd Murrie

Funeral services for Lloyd (Red) Murrie, 70, of Antioch, former Antioch Township supervisor and Lake County Board member, are tentatively set for 1 p.m., Thursday, Oct. 23, at the Strang Funeral Home, Antioch.

Mr. Murrie died Oct. 21 at Victory Memorial Hospital, Waukegan. He had been hospitalized since Oct. 17.

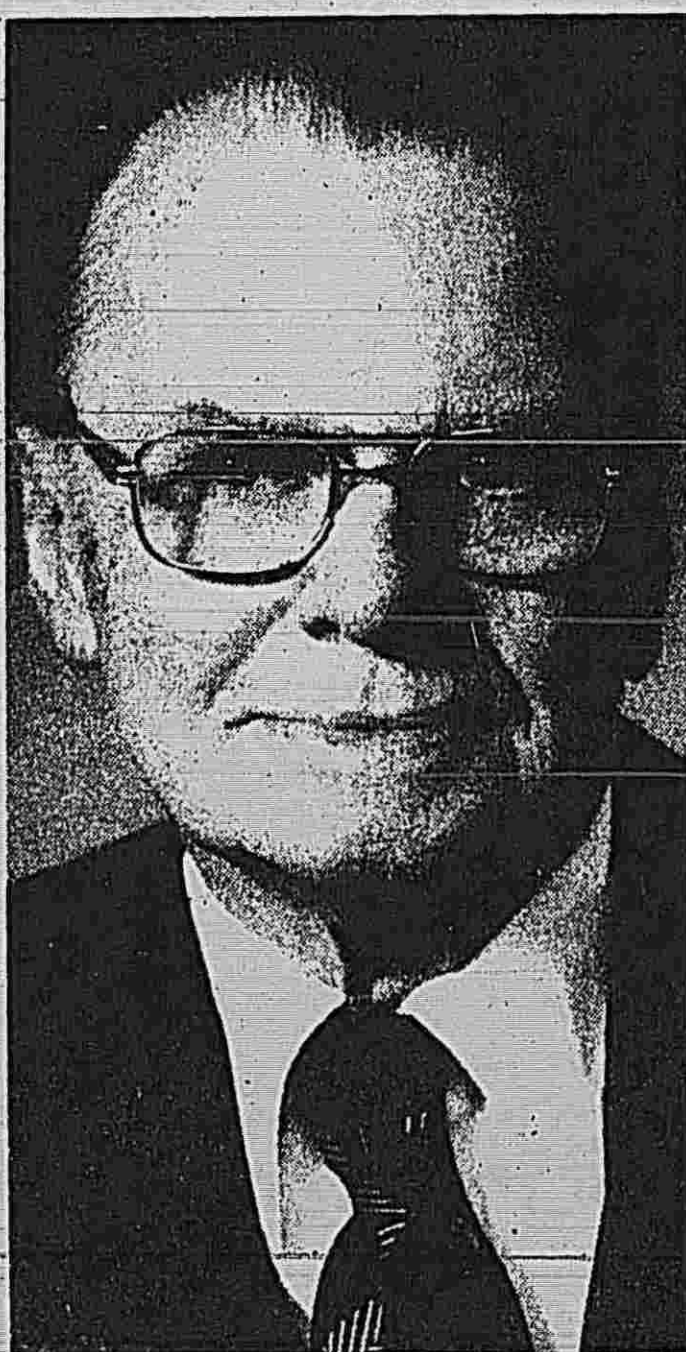

He was born in Lake Villa and moved to Antioch in 1918. He served as Antioch Township supervisor and member of the Lake County Board for 24 years. He was chairman of the Lake County Board for two years during which time he also served as Lake County liquor commissioner. For many years he was the dean of the Lake County Board. He was a long-time member of the Lake County Board Finance Committee and its frequent chairman.

Mr. Murrie was a pioneer member of the Antioch Rescue Squad and was also a member of Sequoit Masonic Lodge in Antioch. He owned and operated Murrie's Standard Service Station in Antioch for many years. He was selected Antioch VIP sponsored by St. Peter Church, Antioch.

Survivors are his widow, Louise (nee Simons); one son, Michael of Chicago; one daughter, Mrs. Marilyn Slater of Antioch; and two grandsons. He was preceded in death by one brother, John.

Burial will be in Hillside Cemetery, Antioch.

Friends may call from 3 to 9 p.m., Wednesday, Oct. 22, at the Strang Funeral Home, Antioch. Friends desiring may make contributions to the Antioch Rescue Squad in his memory.

### Jaycees set spine tinglers

The Antioch Jaycees will open their haunted house at 8 p.m., Friday, Oct. 24. The house will be open every night through Halloween starting at 7 p.m.

Kevin Lyons, the project chairman said, "this year's haunted house will feature many new ideas, geared to scare the yell out of you."

Through the cooperation of McDonald's Restaurant, the first two thousand people through the house will receive a coupon for a treat redeemable at McDonalds in Antioch.

The Jaycees will also be passing out flyers, that have a list of other haunted houses being run in the communities.

On Halloween night, a disc jockey from WXLC will be doing a live broadcast from the Antioch Jaycee haunted house.

The Antioch Jaycettes will also be selling refreshments every night.

Don't miss the haunted house. It is a spine tingling experience that will put you in the Halloween spirit or shall we say in the hands of the Halloween spirits.

## Sequoit Band to compete Oct. 25

Marching bands from 28 high schools will compete Saturday, Oct. 5, in the sixth annual Northern Illinois Marching Band Championship.

Sponsored by the highly acclaimed NIU Show Band, the competition begins at 8 a.m. and continues until 5 p.m. on the brand new artificial turf installed this summer at Northern's 15,500-seat Huskie Stadium.

Tickets for the day-long contest will be available at the gate at \$3 for adults and \$1 for students at any school.

According to contest director Marge Gusich of Naperville, assistant director of the NIU Show Band, each competing unit will have one-half hour to warm up and 15 minutes on the stadium field.

"Judges will score bands on the basis of music execution, 20 points, music general effect, 30 points marching and maneuvering general effect, 30 points and marching and maneuvering execution, 20 points," Gusich said.

Bands will be competing for first, second and third place trophies in three classes: AA, for schools with enrollments of 1,601 or more; A, for schools with 800 to 1,600 students; and B, for schools with fewer than 800 students.

"Awards will be given for an overall champion and for the best drum major, the best color guard, and the best percussion section," Gusich said.

Rules used for judging are those established by the Mid-America Competing Band Director's Assn.

The competition begins at 8 a.m. with bands from Class B schools, starting with Marengo, Plano, Sycamore and Ashton.

Bands from Georgetown, Hall of Spring Valley, Yorkville and Leaf River will follow at 15 minute intervals.

Following a break, competition resumes at 10:15 a.m. for bands from Amboy, which also is Class B, followed by three Class A bands — Marion Catholic from Chicago Heights, Illinois Valley Central from Chillicothe and Rochelle.

After lunch, competition resumes at 12:45 p.m. with bands from Staunton and Fairbury, both competing in the Class B category.

The Class AA bands then start competition at 1:15 p.m., with Antioch Campaign, Rolling Meadows, Joliet West, Sterling, through Class A, and Metamora.

After a break, Class AA bands competing will be from these high schools: Hersey in Arlington Heights, Washington in Chicago, Wheeling, Argo, Barrington, Pekin, Downers Grove South and Forest View.

The 200-member NIU Marching Huskies Show Band will perform a special exhibition at the end of the competition, followed by a finale and awards presentation.

## Trust Co. approves stock sale

At the annual October stockholders meeting of the Antioch Trust Company, approval was given to the proposal to sell an additional 100,000 shares of the company stock.

According to Paul Pavelski, president of the company, the new capital will be used to further the plans of Antioch Trust Company in making it more of a community-owned organization and a strong financial institution.

The new stock will be available from the company. In order to receive a copy of this circular, call 395-8500.

## Camp Crayola in session

Camp Crayola sponsored by the Antioch Parks and Recreation is starting the second six weeks of classes on Oct. 28 anyone interested in joining Monday, Wednesday classes please feel free to contact the parks office, 395-2160.

With the holiday's coming up the children will be having a lot of different crafts, stories and fun.

The age groups are three to five years of age, and the child must be potty trained.

The Camp is held at the Scout House on Main St.

## Chamber to promote Christmas in Antioch

The Antioch Chamber of Commerce and Industry has their Retail Committee planning a bang up "Christmas In Antioch" promotion and the committee charged full speed ahead on the Yuletide promotion at their meeting held at Harbr Ridge last week.

Chairman Laddie Korecek said, "This is the first year for a real push for shopping in Antioch and its shaping up well."

The Christmas season is slated to begin in Antioch on Nov. 28 with the lighting of the village tree at 6 p.m.

Christmas music will be played in the downtown area all during the season but carolers from area churches will be at the

tree lighting ceremony as well as appearing on the three successive Fridays.

Many of the stores will have hospitality tables that night, offering some refreshments, some will continue it on Fridays throughout the season.

Other holiday activities planned by the chamber include a residential decorating contest, a performance of the Messiah at St. Peter's Church, directed by Ken Smouse, two performances of Alice In Wonderland, hayrides on Friday evenings during the season and a special house for Santa, built by the high school shop class and decorated by the art club.

## Coins on show at ACHS

50 YEARS AGO: OCTOBER 23, 1930

Marquette University, although only fifty miles from Antioch is hardly known; however, it is one of the leading universities of the middle west. Marquette rates high in scholastic standing and competes with the strongest teams in athletic activities. Students who have matriculated from this district and are attending school are: Dorr-Cremin, Eugene Sheehan, and Jack Horenberger. Joe Hucker attended the two previous years but has not returned this year.

George (Bugs) Moran, alleged public enemy and nearest rival to Al (Scarface) Capone for Chicago gangland leadership, is in custody of Chicago authorities, charged with vagrancy and gun-toting. Moran who has been sought by authorities for questioning since the murder investigations of Alfred J. Lingle, Chicago Tribune reporter and Jack Zuta, vice monger, was captured early Tuesday at the Cassidy resort on Bluff Lake.

A meeting of all the voters in the township will be held Monday evening at 8 p.m. at the Methodist church. As the solving of the Prohibition question is one of the outstanding issues of this election, Mr. Durend has been secured to speak at that time. The public is cordially invited to attend.

30 YEARS AGO: OCTOBER 26, 1950

A change in location for the Antioch post office calls for a new building at Lake and Victoria Streets, Roy Kufalk, postmaster, announced today.

A course in modeling and charm development heads a list of prizes to be awarded to the girl selected as the Lake County Young Republican Campaign Queen on Saturday, Nov. 4.

Antioch children from kindergarten through eighth grade are to mask and assemble at their respective rooms in school at 6 p.m. They will parade from the school down Main St. to the Antioch theatre where they will be guests of the proprietor Fred Swanson and the Antioch News.

The Antioch High school and Notre Dame football squads won't count this season any too successful. Both have met with defeats, but Antioch's defeat Saturday at the hands of Grant was perhaps, a little worse to bear because it was Homecoming Day and worse yet, the score was decisive, 38 to 0.

Homecoming of Antioch High School was successful despite football loss. The parade was a good one and there were many nice floats. During intermission at the dance, Captain Bernard Gutkowski of the varsity squad crowned Pat Hogan queen and Tom Elwood, representing the Sophomore-Freshman squad presented her with a bouquet of roses.

10 YEARS AGO: OCTOBER 22, 1970

A proposal to continue burning leaves in proper containers was authorized Monday night by the Antioch Village board by a 4 to 1 vote. The issue was approved when Village Mayor Raymond Toft supported the proposal to provide the required majority. Opposing the issue was Robert C. Wilton, who is chairman of the pollution committee.

Letters of Commendation honoring them for their high performance on the 1970 National Merit Scholarship Qualifying Test have been awarded to four students at Antioch High. Those named Commended students are Kathy Chase, Charles Geist, Eve January and Janet Polsgrove.

## Heart Assn. offers holiday card message

"Decorate the holidays with heartfelt wishes" is the festive message embellishing the 1980 holiday card designed exclusively for the Heart Association of Lake County.

Featuring a brightly-colored ornament dangling from a red string and bow, the 1980 card provides a perfect opportunity for sharing the holiday spirit with friends while helping the Heart Associations fight against premature disability and death from heart disease and stroke. Funds generated through the card sales will help support Heart Association research, education and community programs, such as free blood pressure testing and CPR (cardiopulmonary resuscitation) training.

"Heart Association greeting cards are truly a most thoughtful way of sharing your holiday wishes for a healthy season, while contributing to the holiday spirit of helping others," noted 1980 Holiday Card Chairman Kay Alport. Kay Alport and Rachel Shea designed the holiday card which is printed by the Gray Dove exclusively for the Chicago Heart Assn. and its divisions.

The 1980 card is a round ornament with a design printed in vivid colors. A red string tied to the ornament with a bow suspends the ornament on the front of the card. The inside greeting is printed in red. The card is printed on heavy white paper and comes with a white envelope with a bright

red lining.

Holiday cards may be purchased at a cost of 40 cents apiece, with a minimum order of 50 cards. Additional cards may be purchased in lots of 25. If desired, cards and envelopes may be imprinted with the sender's name and address for a small additional cost.

Fifty percent of the purchase price is tax deductible. Printed orders will not be accepted after Dec. 1.

Help your Heart Assn. in its efforts to provide everyone with a healthy holiday season. To receive a greeting card order form, which includes a color photo of the card, contact the Heart Assn. of Lake County, 1722 Washington St., Waukegan, Ill. 60085 or call 244-1210.

## When I Think About It Please pass the buck

by GLORIA DAVIS

I wonder why the words, "I made a mistake" or "That's my responsibility" are so hard for most people to say, even though most of us were weaned on the belief that "To err is human!"

This tendency to dodge responsibility or to pass el bucko seems to start at an early age, at least my kids had "putting the blame on mame" down to a science beginning with the age old dripping denial of a drenched diaper bit.

I remember giving birth to four children, yet years later I'm still searching for that fifth child who got blamed for everything from stolen cookies and broken vases to half smoked cigarettes and telltale empty beer cans.

He or she must have lived with us since, despite the blatant evidence, my four cherubs were consistent in their constant denials.

But what else can we expect when the adult world seems to refuse to shoulder anything but the pads in their suitcoats.

I'm sure you've had a parking lot attendant return your previously unscratched car with a smashed front fender, smiling as he hands you your keys with one hand and points to a large red-lettered sign that disclaims responsibility for "any damage to vehicles that occurs between the hours of 12:01 a.m. and midnight, with the other.

Have you ever frantically searched through your household, hint handbook, trying to find out how to get blue dye off of human skin the morning after wearing your

brand new flannel pajamas that bear a label stating that manufacturer is not responsible for the fading or shrinking of the garment, in infinitesimal letters right beneath the size marker.

And don't you just love juggling your new bulky winter coat or better wearing it while you are discharging because the cloak room bears the sign, "We are not responsible for any articles of clothing left unattended in this room."

If you dye your hair or wear makeup, the cosmetics companies say it's not their fault if your hair turns green or you suddenly grow bald or pop out with huge pink welts all over your face.

Did you know that you can't complain to swimming pool owners if you drown, and, according to the stamp on your income tax, your accountant might just be out of town if you're audited?

It seems that insurance companies are only responsible if your home struck by lightning on a Monday, in January, and burns to the ground inside of two minutes from the time the fire is reported.

And when you're guarded by the hands of the people from the rock, all car accidents must occur as you are being charged by a moose on I-94 on the sixth Tuesday in July.

Maybe we'd all be better off parking our cars in the cloakrooms, buying our insurance from the IRS and dying our faces and making up our hair.

Goodness, its getting so the only time that people don't pass the buck is during deer hunting season.

### COIN MEETING

The Antioch Coin Club will host its fifth annual coin show at Antioch Community High School, from 10 a.m. to 5 p.m. on Nov. 2.

### FILE PROTESTS

The form to file a protest against Antioch Township tax reassessments may be gotten at the Antioch Township office.

## Along the way with ANNIE MAE

I see that Jim Bucar, Elmhurst College tennis star, is branching out into drama. He will play the Captain of the Inquisition in the college's musical production of "Man From LaManchia," starting Oct. 16.

Members of Antioch's erstwhile Rotary Club are moving their luncheon meetings from the Brave Bull to Harbor Ridge.

Too bad that was such a nice place.

Hey kids, if you are not involved in school basketball, but love to play the game, the Antioch Parks and Recreation is still looking for members to play on one of their teams.

Even though election time is drawing nearer, Jim Fields seemed to be his same old easy going self when I saw him at the alumnae's "chat corner" during the high school homecoming dance.

Jim was there as an alumnus and a parent.

His friends and neighbors all wish him well on Nov. 4.

It would really be nice to have one of our own representing us all on the Lake County Board.

ACHS Principal Art Blecke was among the 99 educators honored on Oct. 17 at the Illinois State Board of Education's annual "Those Who Excel," fete.

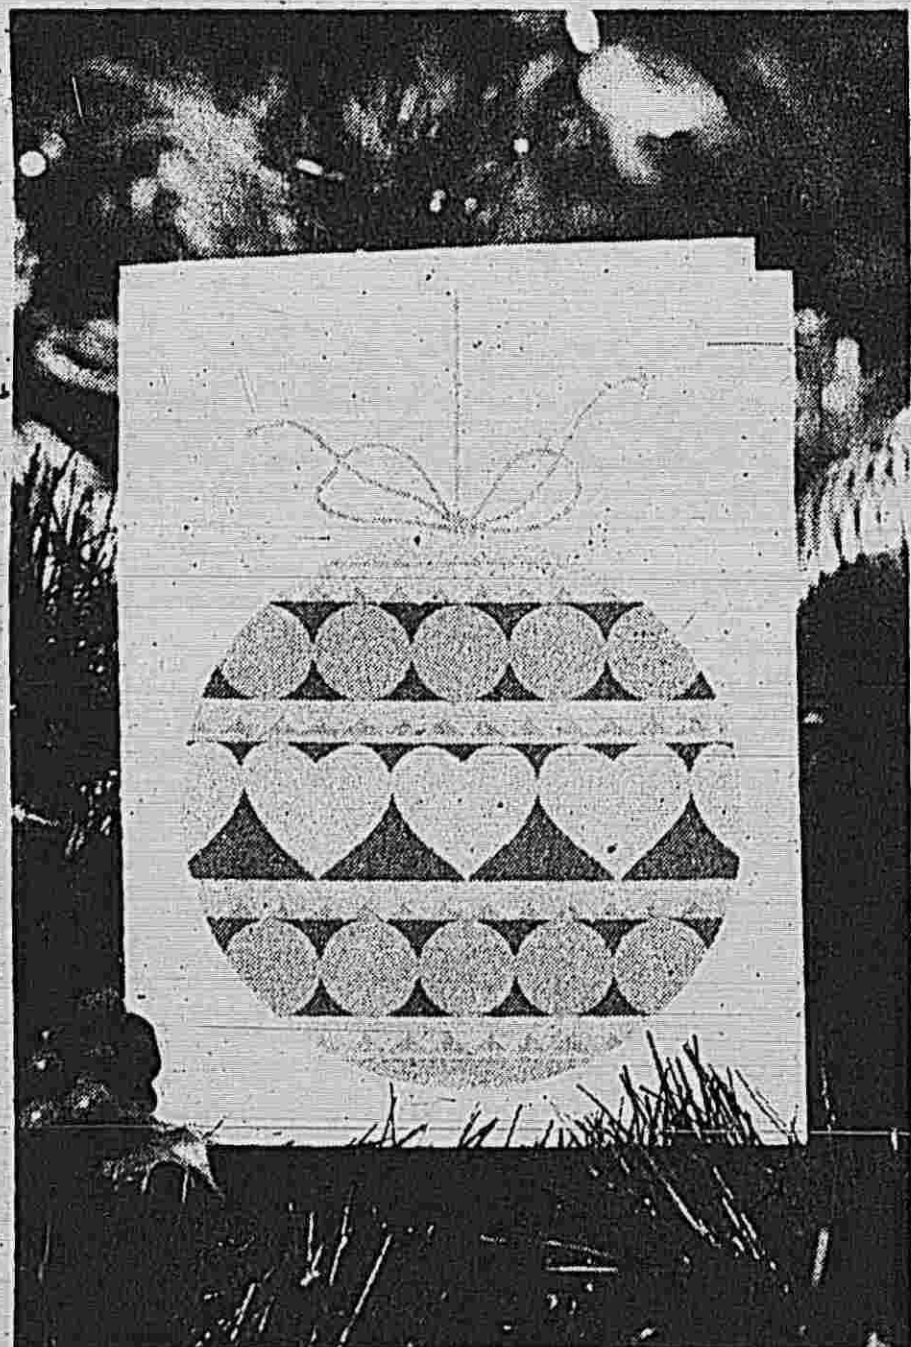

Besides Blecke, honorable mention was given to Betty Lehn, parent, and Maria Rose Makula, ACHS student.

Was I glad that I had joined a Christmas Savings Club last year. At least part of my Christmas Shopping is already paid for.

Although, there are those who are screaming about Yuletide advertisements starting before Halloween, here's one note that does need early attention.

Bill Brook tells me that Christmas Club Accounts may be opened at the Antioch State Bank now.

This year anyone opening an account for \$1 or more will have their choice of three lovely gifts, Norman Rockwell candle, Currier and Ives porcelain bells or or a choice of three, gayly colored stained glass ornaments to either hang in your window or on your tree.

## Brook is appointed to board of Allendale School for boys

At the September meeting of the board of trustees of the Allendale Association, Bernard B. Rinella, chairman of the new trustees committee, nominated several new board members. Among them, was one of Antioch's outstanding citizens, William Brook, president of the State Bank of Antioch.

The vote for Brook was unanimous and Harry Kirchheimer, president of the board of trustees, announced the addition to the Allendale Board of Trustees, "not only one of Antioch's, but one of Lake County's outstanding citizens."

Kirchheimer, senior partner of Arthur Young and Co., Chicago, and president of the board, feels doubly pleased

in adding Brook to the Allendale Association, as it has been one of his goals to not only increase the board membership with influential members, but to build a very strong constituency in Lake County.

Working with Brook from this area will be: Walter L. Cherry of Cherry-Electrical Products, Waukegan; David Barkhausen, attorney at law, Waukegan; and the Hon. Minard E. Hulse, retired judge of the Lake County Juvenile Court.

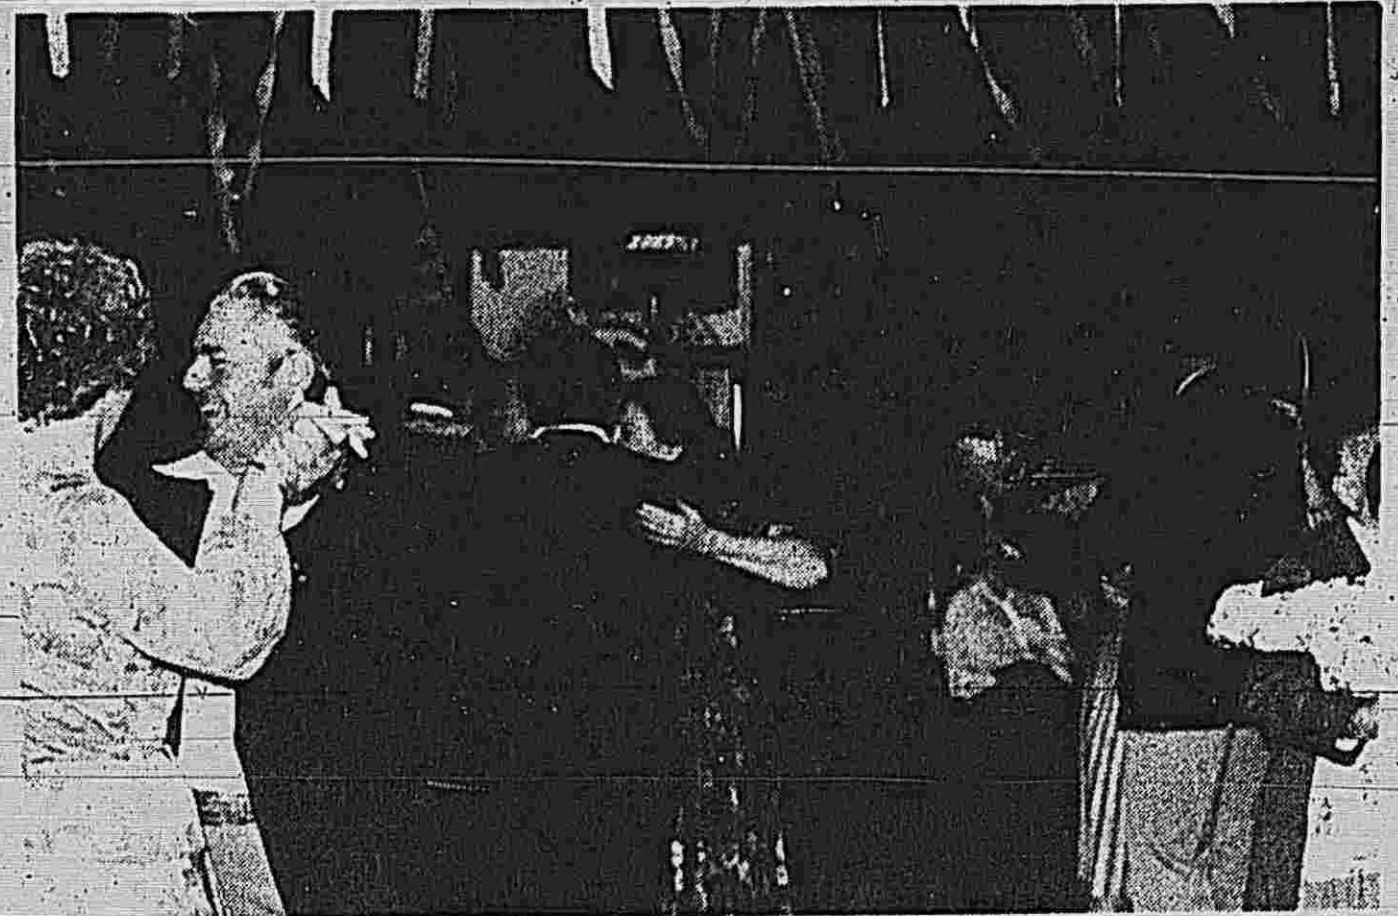

Another very active member who will be working with the group will be James C. Miller, president of Intermatic, Spring Grove.

On Oct. 21 committee assignments were made for each member of the board.

During its long history as a child welfare agency, Allendale has served both the major metropolitan Chicago area and Lake County with quality treatment program for boys in need.

Many of the Antioch residents will remember Ty Walls, who went on to become a professional football player in the Canadian League, and most recently, Vic McGuire who went on to become a high school teacher in Lincoln, Neb. and who is currently a member of the nationally renown "Up With People" singing group.

Kirchheimer reminds the public of the Lake County area that visitors are always welcome on the campus.

## Law suit dismissed

The Massengill vs Antioch Community High School suit received a mutually stipulated dismissal with prejudice by Judge John Crowley in the 7th U.S. District Court on Sept. 19. In addition the Plaintiff's motion for class certification was denied on Sept. 23.

Mrs. Rose Massengill, for her son, a minor, attempted a class action suit against Antioch Community High School.

This action was brought seeking a determination that the suspension and expulsion policies of Antioch Community High School deprive students of their due process rights to receive adequate notice and hearing.

In addition, the plaintiff requested certification as a class, composed of all high school students subject to the disciplinary

rules of Antioch Community High School during the 1978-79 school year.

Also, certification of subclass consisting of those students punished during truancy during the same year was requested.

Judge Crowley's dismissal with prejudice means that the case can not be reinstituted.

In Judge Crowley's 10 page opinion he said, "After a review of the circumstances in this case, it is evident that there are several factors which, render the representative parties inadequate."

He concluded, "Thus, because the proposed class and subclass do not meet the threshold requirements of Rule 23 (a) of the Federal Rules of Civil Procedures, the motion for class certification is denied."

## Hunter course has date change

Due to a conflict of dates the Antioch Jaycees have changed the dates of the Hunter Safety Course.

The new dates are on three consecutive Tuesdays, Nov. 11, Nov. 18, and Nov. 25, from 7 to 9:30 p.m., at the State Bank of Antioch.

All three sessions must be attended in order to pass.

According to Don Good-

win, a police officer from the Department of Conservation, anyone under ten years of age will have extreme difficulty passing the course.

The Hunter Safety Course is provided to help protect oneself through the hunting season.

A minor cannot legally hunt without passing this course, and an adult can use

this course to make themselves a safer hunter.

Anyone interested in attending please drop name, address, and phone number on a post card and mail to the Antioch Jaycees, P.O. Box 254, Antioch, Ill. 60002.

Due to space availability, enrollment will be limited. The cost is free and the training invaluable.

## Sheriff's Dept. gives donation to Vikings

The Lake County Sheriff's Department, F.O.P. Lodge 66 presented a donation of \$1,000 to the Antioch Viking Junior Tackle Football program at last Sunday's game, to be used for new equipment and operating expenses.

Mr. Tim Powell, president of the F.O.P. Lodge 66 commented during the presentation that the donation was made for the betterment of the community by building the character and physical abilities of our young people.

Mr. Powell continued "We hope that the battles that these young men get into,

are those on the friendly gridiron."

Accepting for the Vikings were Mr. Russ Lehn, president of the Viking Organization and Mr. Don Poulter, general manager of the Vikings.

The Viking organization is comprised of eight teams, a senior and junior team which compete in area competition in the Junior Football League of Northern Illinois, and six feather-weight teams which compete in an Antioch house league.

Altogether there are over 200 players and cheerleaders involved in the Viking program.

The 1979 Junior and Senior Viking teams were division and league champions in their respective divisions.

## ACHS offers Special Ed

Parents are reminded that Antioch Community High School offers a full range of special education services, as required to meet the educational needs of each student.

In general, special education services are provided through the Special Education District of Lake County, known as SEDOL.

Inquire's about services may be made to a student's counselor who will explain programs and procedures relevant in special ed.

They will also conduct the necessary review of records and with staff and other relevant resources to determine the need for further evaluation.

The counselor and the parents will maintain close contact with each other on the progress of the review.

If the parents and counselor agree that special education services may be warranted, a referral for special education evaluation will be prepared by the Counselor for Guidance Department Chairman who will officially refer the case to SEDOL for formal evaluation or offer education assistance appropriate to the student's needs and acceptable to the parent(s).

# RADIATION AND THE FUTURE OF KIMBERLY MICHELLE MAYBERRY.

It was the day after the accident and Kim's mother was getting worried. They only lived a holler from those towers on Three Mile Island. There was no sense taking chances.

She made the trip to the store under a blanket.

All the words in the world can't do a better job of describing the way things were. The uncertainty. The unanswered questions.

Would Kimberly and countless others die before their time? Would a generation of babies be born with some unbearable defect? Could the radiation released at Three Mile Island really take that kind of toll?

The average dose received by people living within a fifty-mile radius of the accident was 1.4 millirems. The very same amount, on average, that we all get every five days just from natural sources like the sun.

The maximum amount anyone could have received was 70 millirems. But only if they were standing stark naked on the east bank of the Susquehanna River directly across from the plant twenty-four hours a day, all six days radiation was released.

Even if someone was on that bank, and got all 70 millirems, it still would've been two-thirds less than the dose from a single x-ray of their intestines.

And considering that everyone already averages about 200 millirems a year from the sun, the stars, the soil beneath their feet, the air they breathe, the water they drink, the food they eat, the buildings they work in, the houses they live in, the gas they cook with, the TV they watch, the x-rays they take, not to mention the potassium and carbon in their own bodies, the effect of the release at Three Mile Island would be quite small.

"So small," the President's Commission concluded, "that there will be no detectable additional cases of cancer, developmental abnormalities, or genetic ill-health."

Now, if that sounds too good to be true after all the frightening things you've heard, think back to 1945.

To Hiroshima and Nagasaki. The A-bomb.

Hundreds of thousands of people were irradiated. Massively irradiated. In a few blinding minutes, they were exposed to hundreds of thousands of millirems.

At least a quarter-million survivors, and their descendents, were studied for the next thirty years by a joint U.S.-Japanese casualty commission. And there were

excess cancers, especially leukemia. Not the epidemic a lot of people expected though, not even close. Approximately four hundred.

But at Nagasaki, where the bomb produced mostly gamma and beta radiation, the same two types released in Pennsylvania, no incidence of excess leukemia was found at doses below 100,000 millirems. That's over seventy thousand times more than the average dose at Three Mile Island.

At Hiroshima, where the radiation was loaded with neutrons which made it far more potent, no excess leukemia was found at doses below 20,000 millirems—over fourteen thousand times more than the average dose at Three Mile Island.

As for genetic changes attributable to either bomb, none have been found.

There are other studies, of course. Long-term, scientifically sound studies.

—Of thirty-six thousand hyperthyroid patients who underwent extensive radiation therapy, by the U.S. Public Health Service.

—Of ten thousand longtime employees of the Hanford nuclear weapons facility, by the Battelle Memorial Institute.

—Of sixteen hundred parents and their children living in a high-radiation environment, by the University of Brazil.

They're not as dramatic, but they're just as enlightening. Because they all tracked people exposed to

far more radiation than anyone in Pennsylvania. Up to ten thousand times more.

The results were all the same. No excess leukemia or other cancers were found. And no genetic damage. Not from low-level radiation. The fact is, after thirty-five years and scores of studies, there's no valid evidence to the contrary.

Radiation, like so many other things we live with, can be harmful. But treated with caution and common sense, it doesn't have to be frightening.

Smile, Kimberly. The future doesn't look so bad after all.

## Obituaries

### Robert Mortensen

Funeral services for Robert Mortensen, 60, of Antioch, are pending at Strang Funeral Home, Antioch.

Mr. Mortensen died Oct. 20 at home from an apparent heart attack.

Survivors include his widow, Violet.

### Elizabeth Van Boven

Funeral Mass for Elizabeth Van Boven, 83, of Lake Shangri-La near Antioch was said Oct. 16 at St. Scholastica Church, Bristol.

Mrs. Van Boven died Oct. 14 at Memorial Hospital, Burlington. She was born in Belgium and had lived in Lake Shangri-La since 1955. She was a member of St. Scholastica Church.

Survivors are her husband, Prudent; two sons, Robert Desplenter of Bellwood and George Desplenter of River Grove; eight grandchildren; and seven great-grandchildren. She was preceded in death by her first husband, Arthur Desplenter; by a daughter, Alice; and by one grandchild.

Interment was in St. Joseph Cemetery, River Grove. Visitation was at Strang Funeral Home, Antioch.

## ACHS Board resolutions are reviewed

At the regular meeting of the Antioch Community High School Board member Glen Moore, board delegate to the Illinois Assn. of School Board annual meeting in Chicago in November reviewed the Resolutions Committee report with the board.

Superintendent Polley reported on the laboratory tests concerning asbestos fiber content in the air. Analysis showed a minimal content and well within

required standards.

The board reviewed and approved the annual reports submitted to the Illinois State Board of Education and the North Central Assn. for accreditation.

Horace Mann Insurance Company was selected to provide coverage for the employees of the district on the basis of their low bid on specifications.

The board selected the low bid of Benis Concrete, Inc. for construction of curbing sidewalks for two parking spaces for the handicapped.

Curriculum Director Gary Allen reported the Oct. 1 enrollment as 427 seniors, 464 juniors, 461 sophomores and 434 freshman for a total of 1786.

## Baha'is attend confab

The Baha'is of Antioch Township attended a Regional Conference sponsored by the auxiliary-board members of the Baha'i Faith for northern Illinois at the Bicentennial Park in Joliet on Oct. 18 and 19. The theme of the Conference was "Impending Challenges" and focussed on providing information and encouragement in preparation for the challenges in the days ahead as well as concentration on the teaching work. The responsibilities of the Baha'i Faith.

Following the conference, the Baha'is of this area attended the celebration of the anniversary of the Birth of the Bab held on Oct. 20 in Harvard, where they joined the Baha'is there along with Baha'is from surrounding towns and townships in a devotional program and fellowship hour.

## PM&L's Dracula to run from Nov. 5-29

Antioch area theatre-goers should prepare for a spine-tingling "chiller" because Dracula is coming to the PM&L Theatre, 877 Main St., Antioch on Nov. 15, 21, 22, 23, 28, and 29.

All are evening performances at 8:30 p.m. except Nov. 23 which is a matinee performance at 2:30 p.m.

DRACULA, by H. Deane and J.L. Balderston, adapted from the novel by Bram Stoker, is directed by Bill Sershon with Tracy Kiederlen as co-director.

It is the second production of PM&L's Season 20.

Box office prices are \$3.50 for adults and \$1.50 for students. The student price includes

high school students.

A new improved reservation system has been initiated and reservations will be taken by calling 395-3055 from 6 a.m. until 10 p.m., seven days a week. This system should be much more convenient for PM&L audiences.

The eerie cast for this production is as follows: Dracula, Larry Bullman, Ingleside; Van Helsing, Lou Jones, Round Lake Beach; Dr. Seward, Jim Bishop, Round Lake; Renfield, Bruce Stamm, Round Lake; the maid, Roz Scheske Trusky, Winthrop Harbor; Lucy, Dawn Ferry, Gurnee; Jonathan Harker, Keith Boehm, Antioch; Buterworth, Bob McKee from Antioch.

NWSC Champions — Antioch's Chris Willems placed 23rd, passing several Lake Zurich runners on final leg of course during conference meet at Lakewood Forest Preserve Oct. 17. His finish helped Sequoits win Northwest Suburban Conference cross-country championship. — Photo by Caroline Kelling.

## Sequoit boys run to championship

Antioch High School Boys Cross-Country team ended its conference season this past week with a dual meet against Lake Zurich and the conference meet.

In a show down of undefeated teams on Oct. 16, Antioch and Lake Zurich ran to a 29-29 tie.

Since the Northwest Suburban Conference does not break ties in Cross-Country it left Antioch in first place with a record of 6-0-1 and Lake Zurich in second at 5-0-2.

**EACH VICTORY** in a dual meet is worth two points and a tie one point. Going into the conference meet Antioch had a slim one point lead.

The conference meet was worth 14 points for first and 12 points for second and so forth down the line.

Due to this, the conference title came down to the conference meet, and Antioch came out on top to take the championship 57-60.

In the dual meet on Oct. 16, Robert Otten and Gary Miller ran first and second in times of 16:00 and 16:01, respectively.

**ALAN WARE** ran a good race to finish fourth in 16:47, but Antioch's next finishers were in 10th and 12th place enabling Lake Zurich to tie the meet.

Chris Williams finished in 10th with a time of 17:57 and Andy Dagenski in 12th with a time of 18:15.

In the conference meet on Oct. 18 Antioch rose up to the occasion, and raced to first place in the meet, which gave Antioch the championship.

Once again Robert Otten led the Sequoits to a first place finish in a course record time of 14:33 for the three-mile course.

**OTTEN FINISHED** his conference cross-country season undefeated and in the process set four course records and also an Antioch school record.

Senior Gary Miller ran to a fourth place finish in a time of 15:23 and junior Alan Ware ran to ninth place in a time of 15:42.

The whole conference season came down to the next two runners, and sophomore John Rivera ran a great race to finish in 20th place with a time of 16:10, a personal best at three miles, and junior Chris Williams ran his personal best in placing 23rd at 16:19.

These two runners passed three Lake Zurich runners down the home stretch to give Antioch its three point victory.

## WHY A GOLD CROWN?

You normally associate gold crowns with kings or queens. But the average person can have a gold crown also — not on his head but in his mouth. And it will probably be a lot more practical than the king's head piece.

Cast gold crowns cover the cusps (chewing surface) of back teeth entirely as well as three or more other surfaces. They fit over the remaining portion of a prepared tooth. Crowns are used to restore proper tooth form and contours for the correct biting function when much of the tooth is extensively damaged.

Gold is an ideal restorative material for use in reforming the shape and

function of a tooth. In fact, of all restorative materials, gold is the strongest and most long-lasting. There are other reasons for the use of gold as well as long-life.

Gold can provide maximum resistance against the forces of chewing on tooth surfaces. Fluids in the mouth cannot affect gold. Gold will not shrink or expand once it has been cemented into the prepared surface. Breakage of the restoration is less likely.

A public service with the aim of promoting a better dental health environment.

## Antioch girls race to third

Antioch High School's cross-country team finished its conference season with a third place finish in the Northwest suburban meet.

With its conference dual meet record of 5-1-1, the girls finished in third place overall behind Wauconda and Round Lake.

Oct. 16 the Sequoits ran to a 15-50 victory over Lake Zurich.

Leading the girls was Donna Ruggler in first place with a time of 14:19 for the two-mile course.

Next was Gail Plechaty in second, Margaret Trychta in third, Pattie Friedman in fourth, Dawn Wacki in fifth, Nancy Harland in sixth and Julie Ott in seventh place.

At the conference meet Donna Ruggler led the field from start to finish in winning the two-mile race in 11:34.

Gail Plechaty ran a good race to finish in 14th place with a time of 12:55, and not far behind was Margaret Trychta in 15th at 12:59 and Dawn Wacki in 16th at 13:02.

Antioch's next two finishers were Nancy Harland in 26th at 13:43 and Pattie Friedman in 30th at 13:48.

The girls next meet will be Saturday, Oct. 25, at the Rockford Guilford Invitational.

## Panthers mar homecoming, touchdown beats Sequoits

After losing their homecoming game to Round Lake, the Antioch Varsity football team has an overall record of two wins and five losses and a conference record of two wins three losses.

It was a close well played game with the Panthers edging the Sequoits by just one touchdown which Round Lake made with just over six minutes to go in the game.

Antioch's defense was in top form, beginning in the first quarter when they held a powerful offensive Panther team at the 18 yard line.

But Round Lake's Mark Ballwanz scored at the opening of the second quarter with an 81 yard run.

The Sequoits lucked out when the kick for the extra point was wide.

It looked like the Panthers were going to score again as

half time neared and Round Lake was on the Sequoit six yard line.

After three rushing attempts, the Panthers took to the air but their pass in the end zone was broken up by Antioch's Tom Haviland.

A third quarter pass interception by Steve Jenrich of Antioch gave the ball back to the home team and the Sequoits marched to the Round Lake 23 yard line only to lose the ball in a pass interception on a first down.

After the Panthers were forced to punt, it took twelve plays for the Sequoits to score on a 14 yard pass by quarterback Scott Poulter to Jenrich.

Gary Williams put the extra point across to make the score 7-6 as the game went into the fourth quarter.

But the Panthers wasted no time in taking over the

lead, as they took the kickoff and ran 29 yards for the winning touchdown.

A two point conversion made up for the first quarter's error and put the score at 14-7.

The Sequoits will make a try at getting back into the win column next week when they meet the Grant High School Bulldogs.

With Grant's effective passing game in mind, Coach Steve Wapon is making plans to stop the Fox Lake air attack.
